Michelle,

I would be happy to send some pictures, give a day to get them sent to you. She is a cute little girl. I know you can't wait. The ears are not cropped until they are 14 weeks, so we don't have that done, all the puppies are in their new homes by then. Keep an eye out for pictures tomorrow. If you decide to come visit just call me and we can set up a good time.

Patti

hey patti

just have two questions

1) we got a min-pin from you back in december; we have not received the akc papers on her yet. I can't remember if you sent them or if we did....how long is it supposed to take to get the papers?

2) the cute little thing is 5 months old.....she has yet to bark...she growls a lot, but no bark....is this normal?

thanks
